I. OVERVIEW OF THE ALLOCATION MONEY FOR COUNTY

VETERANS AFFAIRS

The 2008 Iowa Acts, Chapter 1130, section 2 created the county commission of veteran affairs fund. The purpose and legislative intent of this fund are to assist county commissions of veteran affairs in complying with legislative requirements for employing a county veteran service office who is nationally accredited though the National Association of County Veterans Service Officers (NACVSO); who is occupied in veterans affairs for a minimum number of hours; and who maintains an office in a location owned or leased by the county. Funding is allocated annually to counties pursuant to a standing appropriation by general assembly to the Iowa Department of Veterans Affairs. The General Assembly appropriated \$990,000 to fund this program.

The department shall annually allocate \$10,000 to each county from the county commissions of veteran affairs fund. In order to qualify for the allocation, a county must agree to expend the allocation for the administration and maintenance of the county commission of veteran affairs office and staff must agree to maintain its current level of spending from the previous fiscal year.

Iowa code requires each participating county to submit a detailed report to Iowa Department of Veterans Affairs at the end of the fiscal year in which the allocation was received. This report is used by Iowa Department of Veterans Affairs to identify how each county increased services to veterans with the allocation monies. The department is then required to submit a report by October 1st of each year to the General Assembly summarizing the impact of the allocation program on increasing services to veterans at the county level.

II. REPORT FINDINGS

Iowa Department of Veterans Affairs end of fiscal year report indicates that \$99,000.00 of those funds issued has been awarded. The following chart is an accounting of the FY16 income and expenditures.

	FY16 Allocation Summary:
\$990,000.00	Appropriated
\$13,828.11	Unspent allocated money
\$976,171.89	Total spent

Some of the most popular uses reported:

- State and national training for administrators and directors.
- Office furniture desks, file cabinets, table and chairs.
- Increased office hours or personnel
- New offices
- Computers including laptops
- VIMS and Vetra Spec VA software
- Copier
- Printer
- Office supplies
- Phone & internet
- Outreach events
- Veteran transportation to medical appointments
- Advertising

These uses of allocation monies all indicate an increase of services to veterans. Several county directors were proactive in using the allocation to open leased office space to comply with legislation that went into effect July 1, 2009 and will provide additional federal benefits to their county. The office space also gave county offices more exposure to veterans in their counties.

Computers and office equipment have enabled better communication among the Iowa Department of Veterans Affairs office and the county offices. It has improved performance by enabling county offices to process claims quicker, access information more easily, develop records, and in many cases be more mobile and accessible to veterans and their families.

An important use of funds is training at the national level. At this training, county directors are able to receive information on new programs and available benefits. It also provides them the opportunity to speak and network ideas with other directors. The expanded training provides the veteran with a trained and knowledgeable individual at the county level to assist them in accessing benefits.

Advertisements, pamphlets and articles were provided with some of the reports and are a good example of how the allocation monies can expand public awareness of their offices and services. Marketing is an important tool for providing all veterans the benefits and services they rightfully deserve. Without getting information to the veterans, it is unlikely they will attempt to access their federal benefits. Sometimes the only way to identify unserved veterans is to advertise.

Funding is allocated annually to counties pursuant to a standing appropriation by the general assembly to the Iowa department of veterans affairs.
- **7.1(2)** Allocation amount. The department shall annually allocate \$10,000 to each county from the county commission of veterans affairs fund. In order to qualify for the allocation, a county must agree to expend the allocation pursuant to the Iowa code section 35B.6 as amended by the 2008 Iowa Acts, chapter 1130, for the administration and maintenance of the county commission of veterans affairs office and staff and must also agree to maintain its current level of spending from the previous fiscal year. During fiscal year 2010, the department shall use account funds to arrange for an accreditation course by NACVSO to be held in the state. Following fiscal year 2010, the department shall arrange for an accreditation course by NACVSO to be held in this state when necessary.
- **7.1(3)** Allocation report. County shall submit a written report to the department 30 days following the end of the fiscal year in which the allocation was received. The report shall provide as assessment of the county veterans affairs services, including verification of an office and hours of employment, and documentation that the county veterans service officer is performing required duties pursuant to the Iowa Code section 35B.6 as amended by 2008 Iowa Acts, chapter 1130. Dear County Commissioners of Veterans Affairs:

I look forward to working with you as we go forward together serving lowa's veterans and their families. The county veterans affairs office is the first point of contact for many of our veterans to access their federal, state, and county benefits.

Each county is required by state law to have (1) a veterans affairs office that is in a building owned, operated, or leased by the county (so veterans have access to the office), and (2) an executive director/administrator <u>providing veterans services</u> for a minimum number of hours as follows:

- Counties with a population of 30,000 or less 20 hours per week
- Counties with a population of 30,001 to 60,000 30 hours per week
- Counties with a population of 60,001 or greater 40 hours per week

Iowa Code also provides a job description for county Executive Directors or Administrators. This description states that county offices will assist veterans in applying for federal, state, and county benefits. Assistance should include assisting with completion of applications and forms including submission of federal claim and state application. In order to fulfill this job description, each county Executive Director or Administrator must be certified as accredited by the National Association of County Veteran Service Officers (NACVSO). Certification (National Accreditation and Continuing Education), is a condition of employment. Accreditation must be obtained within one year of employment, and continuing education is an ongoing annual requirement.

Chapter 35B can be found here: http://www.legis.iowa.gov/DOCS/ACO/IC/LINC/Chapter.35B.pdf

The state-provided allocation (\$10,000 annually) is intended to assist your County Commission of Veterans Affairs in complying with the above requirements. Therefore, this allocation should be used for the operational expenses of running your county VA office, outreach events, and training. See page 3 for examples of approved expenditures. This allocation funding is NOT to be used for any direct assistance to veterans either living or deceased; that assistance should come from county funds. Using funds for direct assistance will not be allowed, and such funds will be recouped by the state.

There are several instances where the allocation or a portion of the allocation will be required to be returned to the State of Iowa. The information can be found in Iowa Administrative Code [801] Chapter 7 (see following excerpt):

Unauthorized use - Counties expending a portion of the allocation on items that do not provide services to veterans pursuant to Iowa Code section 35B.6 as amended by 2008 Iowa Acts, chapter 1130 will be required to return the unauthorized funds to the state of Iowa.

Maintenance of effort - Counties not maintaining their previous fiscal year's VA spending levels (all funds) will be considered to have supplanted county funding with state allocation funds. Counties not complying with their maintenance of effort will be required to return the supplanted portion to the State of Iowa.

(You will certify that you have not supplanted funds on the annual Activities Report.)

Noncompliance - Counties that are not in compliance with the requirements of lowa Code section 35B.6 as amended by 2008 lowa Acts, chapter 1130, and 2009 lowa Acts, House File 283, and lowa Code section 35B.12 on June 30 of each fiscal year will be required to return all moneys received during that fiscal year to the county commissions of veteran affairs fund. Counties that are deemed noncompliant due to the termination or resignation of an employee shall not be required to return the state allocation if an employee is hired within two months of the previous employee's separation.

Iowa Administrative Code [801] Chapter 7 can be found here: http://www.legis.iowa.gov/DOCS/ACO/IAC/LINC/Agency.801.pdf

At the end of the fiscal year, Iowa Department of Veterans Affairs (IDVA) is required to report to the Legislature pertinent information regarding activities related to this program. IDVA will be requesting information from your county on several items, including whether your Veteran Affairs office is in compliance with the law.

In order to assist the County Commissions of Veterans Affairs in maintaining their accreditation with NACVSO, IDVA will be providing a school of instruction annually. This training will provide a minimum of 16 hours of CEU's which will ensure NACVSO accreditation for those who still need the entire 16 CEU's. Other training opportunities are available for accreditation and continuing education for directors and administrators, to include National training, on-line training, VA TRIP Training, and training in other states.

Thank you for dedicating your time to help lowa's veterans. If you have any questions regarding this allocation, please contact Missy Miller at melissa.miller2@iowa.gov or 515-727-3443.

Sincerely,

Robert C. King, Executive Director lowa Department of Veterans Affairs
